

## **FreediveUK Skype and remote tuition liability release**

I \_\_\_\_\_ do hereby declare that I am aware that the online learning operated by FreediveUK cannot fully replace 'in person', practical tuition such as a full course or club session and that freediving and spearfishing have inherent risks, which may result in serious injury or death. I still choose to participate in the teaching programme with FreediveUK.

I understand and agree that neither my instructor nor AIDA International, nor any of their respective employees, officers, agents, contractors or assigns (herein after referred to as the "Released Parties") may be held liable or responsible in any way for any injury, death or other damages to me, my family, estate, heirs or assigns that may occur as a result of my participation in online learning with FreediveUK or as a result of the negligence of any party, including the Released Parties, whether passive or active.

I hereby personally assume all risks of the experience and any activity resulting from my online learning with FreediveUK, whether foreseen or unforeseen.

I further declare that I am of lawful age and legally competent to agree to this liability release.

I understand the terms herein are contractual and not a mere recital, and that I have agreed to this document as my own free act and with the knowledge that I hereby agree to waive my legal rights. I further agree that if any provision of this Agreement is found to be unenforceable or invalid that provision shall be severed from this Agreement. The remainder of this Agreement will then be construed as though the unenforceable provision had never been contained therein.
